D' BILUT

AGROFARM & RETREAT

LIVING WITH NATURE

A modern agrofarm interspersed with chalets for a stay-with-nature which promises a serene ambience with greeneries and silhouette of hills that offers a breeze of fresh air. Its tranquillity allows you to hear sounds of insects during sunset before you venture into a deep sleep until sound of roosters calling out a new day. Discover the uniqueness of D' Bilut Agrofarm and Retreat and explore what it has to offer.

KELULUT OR STINGLESS BEE KIOSK

A passionate lady beekeeper will be at the kiosk to entertain patiently to your queries. Being an alternative medicine practitioner herself, she loves sharing her knowledge on health through various sort of self-made medicinal herbs which are beautifully packed ready to be bought as gifts. Besides, you will get to taste the best quality and genuine *kelulut* honey from the farm which are sold at best prices.

CUSTOMISED ACTIVITIES

Explore an array of activities that can be customised to suit your likings such as Zumba with a dedicated trainer; glamping on built platforms; mountain biking or cycling and pond-fishing. For those who are more adventurous, our tour-guide will take you for river rafting at Jeram Besu (1 hour from D'Bilut Agrofarm) or hiking at Bukit Botak just nearby.

SEASONAL FRUIT FIESTA

Enjoy local fruits which you can pick yourself from its trees such as mangosteen, *rambutan*, *dokong* and many others. You can have a feast of jackfruit or durian of many varieties such as Musang King, Udang Merah or IOI when they are in season.

ANIMAL GARDEN

It is the only farm in the district that boasts diverse adorable animals for kids to play and interact with. It has almost 100 deer which love to be hand-fed with *nangka* (jackfruit). Bubbly colourful parrots await any visitor besides other types of birds, rabbits, ostriches, turkeys, goats and for feline lovers there is also a Cat Villa.

DELICIOUS RENDEZVOUS AT D'BILUT RESTAURANT

A team of skilled chefs create scrumptious menus not commonly served; from venison based delicacies or *ayam kampung* as well as mouth-watering western foods. The restaurant is attached to a viewing deck which rewards a panoramic view of sunset while dining.
